

# PRESS RELEASE

of Dunkermotoren GmbH in November 2021

## Dunkermotoren cancels presence participation at sps Nuremberg 2021

After intensive considerations and consultations, Dunkermotoren has decided to **cancel** the **physical participation** of Dunkermotoren, EGS Automation and MAE **at the sps exhibition 2021 in Nuremberg.**

This decision was not easy for us, as we would have liked to present our new products to you in person again after almost two years. However, in view of the current infection situation, we had to make this decision to fulfill our responsibility towards our employees, customers and partners.

Nevertheless, we do not want to withhold our highlights of the sps in Nuremberg from you and will present them in an online event.

Are you interested in our highlights? Registrations for the online event are accepted by Stefanie Winker: [Stefanie.Winker@ametek.com](mailto:Stefanie.Winker@ametek.com)
